# Conscious Leadership

## Lessons Learned from a Burnt Field in PA

Join PIN as we kick off the school year to hear motivational speaker Mark Hoog, author of the bestselling children's leadership book series, *Growing Field*, and founder of the Children's Leadership Institute.

Inspired by the loss of friend and mentor Jason Dahl (Captain of United Flight 93 on September 11), Mark introduces parents to life-changing messages of personal growth, self-empowerment and leadership.

*"Mark projects such a sense of charisma and power that he captivates an audience in the first few minutes of the presentation. Hoog's story tugs at your heartstrings while making you think about how to move forward in life with purpose and determination through conscious leadership."*
